

OFFICE SPACE

SW1A, Central London

Situated in the heart of London, Suite 98 is a flexible office space with excellent facilities ideally suited to small, dynamic organisations seeking desk space in a high-profile, well-connected and sought-after location.

It is set in the beautiful Whitehall Court development, which was home to figures including George Bernard Shaw and H.G. Wells, and served as the headquarters for the Secret Intelligence Service until the end of World War I.

KEY FEATURES

- Vibrant area with a multitude of amenities
- Open plan work spaces or private offices
